- d) **Promotions of the Arts that Directly Promote Tourism and the Hotel and Convention Industry:** the encouragement, promotion, improvement, and application of the arts that can be shown to have some direct impact on tourism and the hotel/convention industry. City Policy: The City of Marlin accepts applications from groups and businesses whose program fits into one or more of the above categories. All requests for funds should be submitted in writing accompanied by the official application NLT the first business day of the quarter. The application will be reviewed by the Application Review Board at the earliest possible regularly scheduled meeting. The applicant may be asked to be present at the meeting to answer any questions regarding the application. Applicants will be notified one week prior to the meeting of the time and place for the review.

Based on the application, the Application Review Board will make a recommendation to the City Council. The City Council will make the final decision on the request.

Eligibility and Priority for Hotel Tax Funds: Priority will be given to those events and entities based on their ability to generate overnight visitors to Marlin, Texas. The amount that you are requesting should **not exceed more than 25 percent of the gross amount of hotel night revenue** that you are predicting that will be created or sustained by your event (a reasonable return on their investment of hotel occupancy tax funds). **If an event will not generate any meaningful hotel night activity, it is not eligible for receipt of hotel occupancy tax funds.** Events can prove this potential to generate overnight visitors by:

- a) **historic information on the number of room nights used during previous years of the same events;**
- b) **current information on the size of a room block that has been reserved at area hotels to accommodate anticipated overnight guests attending the funded event;**
- c) **historical information on the number of guests at hotel or other lodging facilities that attended the funded event (through surveys, guest directories, or other sources; and/or**
- d) **examples of the planned marketing of the programs and activities that will likely generate overnight visitors to local lodging properties from this event.**

Use of Revenues from Event: A portion of the revenues from any event and/or project receiving any type of funding assistance from the HOT funds should be channeled back into the future costs of operating that same event or the continued operation of the project. No other outside event(s), project, charity, etc., sponsored by the host organization may profit from the City Council's funding of a particular event.
